This program features short term hands on training for employment as an entry level Automotive Technician. Areas of concentration include but are not limited to: auto design, theory of engine operation, engine diagnosis, oxy/acetylene torch use, M.I.G. and stick welding, exhaust systems and tube bender, cooling systems, heating and air conditioning, brake systems and anti lock brakes, suspension steering & alignment, starting systems, charging systems, ignition systems, lights and accessories, system analysis and scanner use. Graduates receive a Snap-On tool set valued at approximately \$2500 upon training-related employment. Job search skills and internship. In a 2010 survey by our accrediting commission, 100% of students surveyed were pleased with their decision to attend MTTI. Small class sizes; approximately 15-17 students.
